The International Alliance of Inhabitants

The International Alliance of Inhabitants is a global network of associations and social movements of inhabitants, cooperatives, communities, tenants, house owners, homeless, slum dwellers, indigenous populations and people from working class neighbour. The objective is the construction of another possible world starting from the achievement of the housing and city rights without borders.

According to the art. 13 with art.13 of D.Lgs. 196/03, your e-mail address is exclusively used for receiving IAI news.
