

REDESMA, Boletín 15-1 EXTRA XV: 6 de febrero de 2013

REDESMA expresa su agradecimiento con las Instituciones que a través de este boletín Extra, apoyan el trabajo que realizamos por más de diez años a nivel regional

Swisscontact promotes **economic, social and ecological development** by supporting people to successfully integrate into local commercial life. Swisscontact creates opportunities for people to improve their living conditions as a result of their own efforts. The focus of its systemic intervention in the private sector is the strengthening of local and global value chains. Through an increased economic productivity Swisscontact fosters added value for all involved – namely the local population and small enterprises.

Swisscontact undertakes huge efforts to ensure a high quality Monitoring & Result Measurement (MRM) system, which will enable the foundation to aggregate impact numbers on organization level. For this challenging task at the pulse of development cooperation, we currently seek to employ a

Regional Advisor in Monitoring & Result Measurement (MRM)

Begin:	April 2013 (or as agreed)
Place:	Quito, Ecuador
	Disposition for frequent travelling within Latin America
Duration:	2 years, with option of renewal

Tasks:

Coaching and support of Latin American projects with regards to monitoring & result measurement – from project planning through data collection until reporting

- Clarify training needs and conduct staff training regarding a systematic monitoring & result measurement according to Swisscontact guidelines
- Securing the systematic implementation of the Swisscontact MRM guidelines, in all our projects throughout Latin America
- Evaluation and adaptation of monitoring plans and
