Women, Leadership and Development: from SDG5 to Habitat III

20/01/2016 New report by the UCLG Standing Committee on Gender Equality highlights that the achievement of gender equality at local level will be essential to the success of the 2030, Habitat III and climate change agendas. The new UCLG publication, "Women, Leadership and Development: from SDG5 to Habitat III", was presented at the 3rd Latin-American Summit of Local Agendas for Gender Equality: "Women and the City", celebrated in Santiago, Chile from 18-21 January, 2016.
