

Dear colleagues,

The open access journal *Urban Island Studies* (www.urbanislandstudies.org) is seeking reviewers for the books listed below. Reviews should be between 800-1500 words in length. The deadline for completed reviews is two months after receipt of the book. Reviews should include not only a summary of the book's content but also a critical analysis and evaluation of this content in light of its potential value to the field of urban island studies. To learn more about the field of urban island studies, see the introductory paper 'Returning from the Horizon: Introducing Urban Island Studies' (see: [Urban Island Studies](http://www.urbanislandstudies.org)). Briefly, the idea of urban island city comprises both rural and urban island context that contains basic urban functions. If you are interested in reviewing a book, please e-mail your reviews to editor Zrinka Mendas at zmendas@islanddynamics.org and identify which books you might be interested in reviewing as well as why you think you might be a good fit as a reviewer. Note that there is no guarantee that any particular books will be available for review. If you wish to propose the review of another book that is in line with the scope of the journal's 'Reviews' section (see: <http://www.urbanislandstudies.org/about.html>), please, e-mail Zrinka with your suggestion.

Kind regards,

Zrinka Mendas
