University Land Acknowledgement (excerpt)

We are on the ancestral lands of the Piscataway People, who are the ancestral stewards of this sacred land. This Land Acknowledgement is a vocal reminder for each of us as two-leggeds to ensure our physical environment is in better condition than what we inherited, for the health and prosperity of future generations.

Dear editors,

We are reaching out because we are currently looking into expanding our pool of external reviewers. We kindly ask you to please make suggestions of scholars that you consider could be a good addition to our pool based on their areas of expertise or interest, languages spoken, and location.

The main purpose of this is to have a variety of reviewers who could be useful to the journal because of their scholarly work. This could help speed up the review process and avoid delays in the decision process.

Please provide any names, affiliations and contact information you might have on the reviewers you would like to nominate.

Thank you

Sincerely,

Vera Saldivar
