Youth and Morocco in the Headlines of SHSviews n° 28/29

As the month of August 2010 marks the beginning of the International Youth Year, the news magazine of the Social and Human Sciences Sector of UNESCO dedicates a large part of its columns to actions of the Organization for young people. Covering the news for the months of April to September 2010, this double issue is also continuing its journey to the National Commissions for UNESCO, by focusing on **Morocco**. Already published in English, Spanish and French, SHSviews n° 28/29 will soon be available in Russian.
