

The Journal of Urban Design published my book review of:

[Urban labyrinths: informal settlements, architecture, and social change in Latin America](#)

by Pablo Meninato and Gregory Marinic.

You can download it for free from the link below.

University Land Acknowledgement (excerpt)

We are on the ancestral lands of the Piscataway People, who are the ancestral stewards of this sacred land. This Land Acknowledgement is a vocal reminder for each of us as two-leggeds to ensure our physical environment is in better condition than what we inherited, for the health and prosperity of future generations.
