

Population Media Center

Population Media Center (PMC) is a nonprofit, international organization which strives to improve the health and well-being of people around the world through the use of entertainment-education, specifically soap operas on radio and TV. PMC has over 15 years of experience and has impacted more than 50 countries.

Overdevelopment, Overpopulation, Overshoot (OVER) crystallizes the ecological and social tragedies of humanity's ballooning numbers and consumption. It's time to make millions of people acutely, immediately, and viscerally aware of the dangers and deprivations facing people and the planet.

The ongoing power of this book, and this campaign, resides in the empowerment of people like you. We are [granting free copies of *OVER*](#), which retails for \$50, to people and organizations who can be ambassadors of information and inspiration, promising personalized delivery to policymakers, opinion leaders, activists, allied organizations, and new learners. [Submit your request](#) your free copies of *OVER*. We will review your submission and get back to you. We have a limited number of books to send around the world, so tell us what you plan to do with the book and how it will help make a difference.

If you don't want to [request a free copy](#) to use raising awareness, the book is [available commercially](#) to add to your personal library.
