[Sustainable Cities Dialogue: Urban Governance at the Core of the Implementation of SDG 11](#)

CITIES AND REGIONS are ideally positioned to make catalytic changes and to transform the global agendas into concrete actions: they are places where people live, where poverty is tackled, where prosperity is generated and where women and youth are empowered. Being closest to the people, local governments are key policy-makers, ensuring among others, that affordable housing, public spaces, access to basic services for all, and that cities are climate resilient through adapted and innovative solutions.

Opportunities

[Municipal Finance Consultant, (Home Based)](#),
(Deadline: 30th November 2018)

The objective of this consultancy is to provide an evidence-based and comprehensive strategy of service provision regarding OSR in Africa and strengthen the overall capacity of the UEFB to engage in successful OSR partnerships Africa-wide.
