

Dear colleagues,

I offer a **fully funded Ph.D. opportunity** which entails research assistance with the SSHRC funded research project "Good food is just the beginning". Scaling up and scaling out urban community food initiatives in Calgary, Alberta". **Applications will be reviewed as they arrive and until position is filled.** In order to be considered for a start date in September 2019 please apply internally no later than **November 19th 2018.**

Main qualifications:

- Outstanding record of academic performance
- Background in human geography, urban studies, (urban) sociology or related field
- Familiarity with and/or research experience in Calgary or other Canadian cities
- Excellent verbal communication and academic writing skills (English), critical thinking
- Strong interest and research experience in one or more of the following fields: critical urban food studies, urban food movements, urban social movements, community food security, food justice, alternative food movements, urban inequality, housing
- Enthusiasm for research, including experience in publishing
- Expertise in empirical (qualitative) social science research methods

Funding will come from a combination of a research assistantship (RA) from the supervisor and teaching assistantships (TA) and scholarships from the Department of Geography.

**For detailed information please see pdf at:** <https://ucalgary.academia.edu/MaritRosol/Graduate-Student-Recruitment>

Please apply internally to Dr. Marit Rosol by following the "How to apply" guide provided in the pdf closely. Successful candidates will also need to apply for program admission. Program start date will be September 2019, the RA may start earlier.

I would be grateful if you could bring this opportunity to the attention of your qualified students and other potential candidates.

Sincerely,

Marit Rosol
