## Knowledge

### [G20 Brown to Green Report 2018](#)

The Brown to Green Report 2018 is the world's most comprehensive review of G20 climate action. It provides concise and comparable information on G20 country mitigation action, finance and vulnerability.

Developed by experts from 14 research organisations and NGOs from the majority of the G20 countries, the report covers 80 indicators. It informs policy makers and stimulates national debates.

The Summary Report 2018 provides a comprehensive overview of all G20 countries, whether – and how well – they are doing on the journey to transition to a low-carbon economy....[Read more](#)
