

Sincere apologies for any cross or multiple postings.

This message is sent on behalf of Professor Kumi Kato, Director - Center for Tourism Research, Wakayama University, Japan.

The Center for Tourism Research, Wakayama University is calling for applications for a vacant research position.

The level at which the successful applicant will be appointed will depend on their background, skills and experience.

Full details about the position can be found [here](#).

The [Center for Tourism Research \(CTR\)](#), Wakayama University (National University) was established in 2016 with a mission to contribute “to the development of a sound and sustainable society through advancement of tourism research”.

CTR works closely with the Faculty of Tourism at Wakayama University. The university is the only national university in Japan that can award undergraduate, master and PhD degrees. The university is also a member of UNWTO, PATA and GSTC.

CTR is also host of the [2nd Critical Tourism Studies-Asia Pacific Conference](#) 17-19 February, 2020.

One full-time (fixed term) research position is available with the following duties:

- Tourism research, research promotion, and educational activities in areas that conform to the mission and vision of the Center for Tourism Research.

Specific duties will include the following:

- **Research in fields including (but not exclusive) tourism management, sustainable tourism development and heritage conservation and management which may relate to: the development of sustainable tourism indicators for tourism destinations; to policies, strategies and practices in development; promotion of international collaborative research aiming for socially significant outcomes through public and private partnerships.**

All inquiries regarding this position should be directed to:
